

## ALEDRA'S JOURNEY TO HOMEOWNERSHIP

As a single mother of three, Aledra faced rising rents and limited space—forcing her family to live apart. With guidance from GROWTH Homes and \$27,500 in grant support, she was able to purchase a brand-new home in Birmingham.

**"I always thought a brand-new house would be out of my price range, so I was excited to find this house and know I could afford it."**

Now, her family is reunited under one roof, her children have their own rooms, and Aledra is planning to pursue her Master's degree—proof that stable, affordable homeownership can change lives.

**This is the impact of GROWTH Homes.**

# MEET THE NEIGHBORS: LIFE IN OAK HILL

“I enjoy being a homeowner. This is my first home purchase. My neighbors and all those on my block are sweet. I am proud of the fact that I am now a homeowner. It is a great accomplishment. I am grateful and appreciative.”

- Jaqueline Edwards, Homeowner

“The process of becoming a homeowner through Growth was incredibly easy and smooth. From start to finish, the team made sure I understood every step, and they supported me the whole way. I’m so glad my agent, Andrea Winston, was there to guide me—she made sure everything stayed on track and helped me get it done with confidence. I absolutely love my new home – it’s everything I hoped for and more. The Oak Hill community is warm, welcoming, and truly feels like family. I’m so grateful to be part of a neighborhood where I feel safe, connected, and proud to live.”

— E. Parker, Oak Hill Resident
